Hi Chris,

As I had noted yesterday the last correspondence for the Shiloh June VOCs was on 9/5 stating it should be Finalized by end of week/day 9/13. We are now expecting it the end of this week (9/20) or early next week per this email received this morning:

**** External Email ****

Hi [redacted]

The data case had to be sent back to an analyst for a correction, it has been made and is waiting for final sign off by our Laboratory Branch Chief. I expect this to occur by the end of the week or early next week, the final report will be sent to you at that time. I apologies for the delay in delivery.

Thank you,

[Nonresponsive based on revised scope]
